** This permit must be available for review by authorities when burning or a citation may be issued **

CITY OF LAKE CITY BURNING REGULATIONS
Separate Permits are Required for Each Type of Burning.
One Address per Permit.

SEASONAL OPEN BURNING OF YARD WASTE

- Open burning is allowed Monday through Saturday, between the hours of 8 a.m. and 8 p.m. during the designated burn periods:

April 1st – May 1st
October 15th – November 15th

- No material other than landscape waste originating on the premises or materials that are 100% paper products shall be burned. No plastic, garbage, or other material shall be burned.
 - When burning is done other than in a barrel, a visible water source must be available.
 - No burning on the streets or in the alleys. Citations will be issued.
 - Violation of these regulations may result in revocation of the permit by the City Administrator, at the recommendation of the Fire Chief or Police Chief.
-

RECREATIONAL FIRES

- Open fires for cooking, heating, recreation and ceremonies.
- Fires must be confined within a noncombustible container device or fire ring designed for the purpose of containing fire.
- Fuel shall be limited to clean lumber, logs, charcoal, propane, or natural gas. The burning of garbage, treated lumber, refuse, leaves, and construction waste is prohibited.
- Any open burning shall constantly be attended by a competent person until the fire is completely extinguished. This person shall have water or other approved fire extinguishing equipment readily available. No fire shall be allowed to smolder overnight.
- No person shall kindle a fire upon the premises of another without the permission of the owner or owner's agent. No recreational fires shall be allowed on City-owned property without City Council approval.
- The Fire Chief, Police Chief, or their designees are authorized to require that open fires or recreational fires be immediately discontinued if determined that smoke emissions are offensive to the occupants of surrounding property or if the fire is determined to constitute a hazardous condition.
- Violation of the regulations may result in revocation of the permit by the City Administrator, at the recommendation of the Fire Chief or Police Chief.
